CONCLUSION: 11/2021

Digital Innovation One - ONLINE

- Bootcamp provided by DIO and Impulso bringing the main fundamentals of React on Front End Development.

#### **Front-end Development - Front End Stack**

CONCLUSION: ALL TIME

FREE COURSES - ONLINE

- Learning through free and online courses on platforms such as Digital Innovation One, Udemy, FreeCodeCamp...

### PROFESSIONAL EXPERIENCE

- Currently looking for my first opportunity.

### PROJECTS

#### **Random Chatty**

Live preview: [RandomChatty](#)

Stack used: React, Next.js, Sass and Firebase

- A real-time chat app using React and Next.js on Front-end, Firebase with its Firestore database and Google account login on Back-end and Sass for styling.

#### **My Index**

Live preview: [My Index](#)

Stack used: React, Next.js, Typescript and Sass

- My Index is a enhanced index page designed to deliver a contentful yet simple to your life. It's developed with the power of React, Next.js, Typescript and Sass, as well using React hooks for saving data on Local Storage or fetching API's provided by Google, Wikipedia and CryptoCompare.
